To Whom it May Concern

Dear Sir or Madam,

I would like to recommend Claudia Johnson as a candidate for a position with your organization. In her position as Graphic Designer, Claudia was employed in our office from 2019 - 2021. Throughout her time with our organization, she demonstrated skills that would make her an excellent employee at your company.

Claudia did a terrific job in her position and was an asset to our organization during her tenure with the office. She has excellent communication skills, is well organized, can work independently, and is able to effectively multi-task to ensure that all projects are completed in a timely manner.

Because of her effectiveness, I even gave her additional responsibilities, including assistance in organising events. Claudia went above and beyond in such assignments, as she did in all tasks.

She would be an asset to any employer, and I wholeheartedly recommend her for any endeavour she chooses to pursue. Please let me know if you have any questions.

Sincerely,
